Schreuder Theatre & Music lessons

On Wednesday May 18 we'll have a **Schreuder Theater** again. You are cordially invited to come and watch.

The children give a presentation on a topic that they are working on in class. This can be storytelling, in the form of a piece of work, a song, a play, crafts, etc.

The presentation is in the hall and will consist of 3 shifts.

Each group gives a presentation of about 8 minutes, so be on time!

Schedule:

Block 1: 9.40-10.10h groups 1/2, 4/5U and 8
10.15- 11.05 break

Block 2: 11.10- 11.40h groups 2/3, 5 and 7/8U

Block 3: 11.45-12.15h groups 4, 6 and 7

If you want to come and have a look, you can take a seat behind the children, on the stairs or above at the balustrade. In connection with privacy, we would like to ask you to only take pictures of your own child.

On Tuesday 9 May, master Giordano of the Amsterdam Music School will start with **music lessons**.

Until the summer holidays, he will give music lessons to groups 3 to 8 every Tuesday.

He is very enthusiastic and can hardly wait to get started.

From the Schoolboard

Dear parents and guardians of Primary School Schreuder,

I would like to **introduce** myself to you. Some of you may have already seen me standing in the square or encountered me in the school.

My name is Maurice Boonstra, I am 49 years old, married and father of 3 children. I live in Hilversum. I like to get on my road bike/MTB or walk in the woods or on the Pieterpad!

From the ICT side I entered education (2004 – 2005) as a teacher, after which I progressed to director (2008). This was in Almere. From 2011 I worked at the OB Blaricum in 't Gooi and eventually became multi-school director in Blaricum, including at a school for the gifted.

Since 2019 I have been working as an interim director in the PO. I would like to see more of education, more schools and boards. This gives me a lot of energy! At the moment I am also a cluster director ad interim in Almere and I manage 12 schools and their directors. Very educational!

It is with great pleasure and enthusiasm that I am now going to work at Schreuder Primary School. I will be there for the time being 3 days a week (Mon/Thu/Fri). What a beautiful school in the middle of Amsterdam! I have never been able to work in such a beautiful place before. Of course there is always something to do at a school and there are also challenges for all of us. I would love to work with the team on that!

You can always reach me via the school's known email address.

On 7 April an **information meeting** for parents was held. It was a good meeting with very interested parents. And again with the active cooperation of the Parent Council. Thanks for that. In any case, it has led to some new registrations at our school.

This week was a short but busy week. Especially for the Bovenbouw where the **CITO final test** has been taken and where the week ended with the King's Games.
Again, many thanks to the helpful parents.

Finally, we wish you all a nice and relaxing holiday.

Kind regards,

Jan Witte & Maurice Boonstra
