MR looks for a new MR member

As of next school year, the MR is looking for a parent who wants to participate in the discussion and decide on important subjects that affect the school. It's a fun way to get involved with the school and get a look behind the scenes. Do you have ideas on how things can be improved or do you like to advise the management, then sign up. No experience is required and new MR members also receive (free) training. The MR is a mandatory advisory body of every school that advises management or agrees on numerous

subjects. The MR of Basisschool Schreuder consists of two parents and two staff members and meets five times a year. Members of the MR are in principle appointed for three years. For that reason, it is preferable to look for a parent with at least one child in the lower or middle school years.

Are you interested? Please contact Frank Reef (chairman of the MR) at frankreef@gmail.com or 0681882280

We would like to thank Sophie de Wijs very much for her efforts in the MR, at Schreuder and before that at the Vlinderboom school. In the coming year she will strengthen the OR, so we will see each other often!

Farewell to group 8

Tuesday 12 July the children of group 8 say goodbye to our school.

In the afternoon they will say goodbye to all the children by showing the final film and singing a number of songs. In the evening the children will say goodbye to the teachers and provide a nice evening for the parents and other guests.

The holiday starts for group 8 on Wednesday 13 July.

Welcome moment new groups & new students

On Wednesday 13 July, from 11.30-12.30, we will have our annual familiarization moment. In that hour, the students move on to the next group to get used to the group, the teacher and the classroom where they will be next school year. New students, who will start next school year, are also invited to attend that morning. This way the students can already get to know the 'new' teacher and see in which classroom they will start after the summer holidays.

Avond4daagse, retrospect

Mid-May 53 children from group 1 to group 8 took part in the Avond4daagse in the Amsterdamse Bos. We had four days of beautiful weather and traveled a lot of miles together. A wonderful tradition that was finally able to continue after two years, thanks in part to the enthusiastic organization of Bram van Wijngaarden.

Kiestraining September 8, 2022

KIES offers “Children In A Divorce” the opportunity to talk in a safe environment about what they are going through now that their parents have separated. KIES is not therapy, it is coaching of children. It makes a child stronger. Children often have questions, concerns and wishes. At KIES, children can talk and tell undisturbed. Recognizing and acknowledging feelings and similar experiences in their group members strengthens children.

Did you break up recently or long ago? It doesn't matter, KIES is an accessible training for all children who have experienced or are currently experiencing a divorce from their parents.

Thursday 8 September the KIES training starts in South. Location: 2e Dalton School, Willem Witsenstraat 10. Start: 3.30 pm-4.55 pm. Children from group 3 to group 8 can participate. There are 6 meetings, weekly. A maximum of 9 children can participate in KIES. You can register until July 8 at the latest. There are no costs involved. You can digitally register your child(ren) at kiesamsterdam.nl. For questions you can also send an email to sas-kia@kiesamsterdam.nl.

Social Schools and Wis collect (parent contribution/TSO contribution)

Next school year we will work with Social Schools and Wis collect for the regular groups. Social Schools will become the means of communication between school and parents. We will use Wis collect to collect the parental contribution and TSO contribution. You will receive more information about this in the new school year.

Nothing will change for the unIQ groups for the time being.

Pre-school/half-day care

With pre-school we started with the theme "Water". Everyone uses water every day. Water is all around us and we can't live without it. Where does the water come from? What do we all do with it? How does water get into our house?

Through the rainwater from the clouds (walking outside in the drops and stamping in the puddles) we explore with our group, we follow the water pipes and we arrive at the tap. What do we all need water for? To drink, wash hands, do the laundry, do the dishes and what else...?

When the water washes away again through the well, we follow the water, into the sewer and back to the sea where we explore the underwater world and its inhabitants. In this way we learn to be economical with our drinking water and not to pollute our waters.

During our circle discussions and various activities, we let the theme come to life!

Interested in preschool? There are still places available! We would like to invite you for a tour and to meet our Pedagogical Employees! For more information we can be reached via: 020-2089920/ planning@kleintjezuid.nl or directly with the location via 020 2091330/ museumkwartier@kleintjezuid.nl

From the Schoolboard

Dear parents and caregivers,

We have already heard from various sides that there is a need for clarity for the new school year. Well, after quite a few conversations, shuffling back and forth and puzzling, there is finally the formation for next school year, it looks like this:

- | | |
|-----|---|
| 1/2 | Miss Olga & Miss Mirjam (Wed) |
| 3 | Miss Jacobien & Miss Mirjam (Tue) |
| 4 | Miss Floor (Mon – Thu) & Miss Melanie (Thu-Fri) |
| 5 | Miss Bettina (Mon – Wed) & Miss Madelon (Wed – Fri) |
| 6 | Miss Ymke & Miss Floor (Fri) |
| 7 | Miss Melissa |
| 8 | Miss Ellen & Miss Marijke (Thu – Fri) |

At the start of the school year, Miss Ymke will be replaced by Miss Sanne. Sanne is currently in group 5 and will therefore go with the group to 6. Miss Ellen will be replaced by master Rolf. Rolf will then also go with the group to group 8.

The uniQ groups will keep the same line-up as in this year. Miss Nynke will do fulltime group 4/5U, master Pieter-Jan group 6/7U and miss Anna group 7/8U. A solution for the Friday for group 6/7U is still being sought for.

The administration, support and internal guidance will continue to be at the same level as it is now.

In the overview above you miss Miss Nancy. You are already aware of this. In the coming weeks we will say goodbye to her in an appropriate way. Of course grand and compelling after so many years on 'De Schreuder'!!! Danny, the gymnastics teacher, will also be leaving us at the end of this school year. He is going to work at another school in Amsterdam. We will also wave goodbye to Danny, of course!

Master Youssef will take care of the gym lessons from next school year, he will introduce himself to you in a next Newsletter.

It is great to see that next school year we can work with 3 teachers in training (LIO). Melanie, Madelon and Marijke will complete the last phase of the PABO at our school!

It is a very nice team of very committed people!
